

The 2022 Wild West Brewfest welcomed a few new "firsts" for the event, including its location at Typhoon Texas and watching the Astros clench the World Series Championship! We had over 7000 patrons from all over Texas and various states join our brewers and vendors for a fun-filled weekend of excellent beer, music, food, wine and auction items. Best of all, the 2022 event was a great success for the Rotary Club of Katy in raising funds for worthy charitable organizations in and around the Katy and Houston areas. To all of you who took part, thank you!

Once again, WWBF could not be possible without our sponsors, patrons, brewers and vendors, and we are very grateful for your continued support. As it is widely known, the event is 100% volunteer-led and volunteer-run. No one takes any fees from the money contributed. We give away everything we make so that we can positively impact as many as possible. Us Rotarians are passionate about what we do and the "why" we do it. As we celebrate Thanksgiving soon, we continue to be thankful for the opportunity to host such a fantastic, fun event that prides itself on serving others.

As this year comes to a close soon, our sights are already set upon the 2023 Wild West Brewfest. The event will be here before we know it because [BIG ANNOUNCEMENT], the event will be back to the spring next year. That's right, we're only 4 months away from our next WWBF! The date for the event has been set for March 25, 2023 at Typhoon Texas in Katy, Texas. Discounted tickets for the 2023 WWBF will go on sale next week, just in time for the holidays. Visit our website at [www.wildwestbrewfest.com](http://www.wildwestbrewfest.com) to get your tickets. They will make an excellent Christmas gift!

Thank you again for making the 2022 WWBF a success, and we look forward to seeing you again in March. Happy Thanksgiving to you and yours.
