

The 2022 Wild West Brewfest is set to commence again this fall and hopes to be another record-breaking event. The K-Town Throwdown will kick off the multi-day event on Thursday, November 3, 2022, followed by the Launch Party on Friday, November 4, 2022. The official WWBF will be on Saturday, November 5, 2022. Furthermore, the entire weekend of events will now be hosted at Typhoon Texas in Katy, TX. While the water rides won't be running, the liquids will be flowing! The improved location will offer new experiences for all WWBF guests - more space, live music stages, lounge areas and much more. Better yet, it is still within walking distance from all hotels.

Eleven years ago, the Rotary Club of Katy founded the WWBF on the principal of giving back, and since its inception, almost \$1 million has been distributed to local schools, organizations and charities. Just last year, the Rotary Club of Katy was able to donate \$135,000. The beneficiaries included Katy ISD FFA Projects, Auction and Special Rodeo, KISD Fine Arts and Band, KISD Education Foundation, Christ Clinic of Katy, The Ballard House, Katy Christian Ministries, MADD, Special Olympics Texas and so many more. Over 35 charitable organizations in and around the Katy and Houston areas received every dollar raised from the 2021 WWBF. That's right, every dollar.

The WWBF is 100% volunteer-led and volunteer-run, and the Rotary Club of Katy takes zero fees from the money contributed. As you know, we could not do this without our sponsors, patrons, brewers and vendors. It's because of your support that we are able to positively impact so many. Us Rotarians are passionate about what we do and the "why" we do it, and know that we are always grateful for the support we receive.

In less than 5 months, the 2022 WWBF will be back in action, but the work has already been well underway. As we prepare for over 9000 patrons, 500+ beers, live music, activation zones and much more, our number one priority remains the same – a clean, safe event that you will be proud to associate with. It's a great time, all for a great cause! Tickets are on sale at www.wildwestbrewfest.com, along with volunteer opportunities. We look forward to seeing you there, and thank you for contributing to an event that prides itself on serving others.
